Graduate School Exit Survey

Fall 2010 through Summer 2015

All University of Oregon master's and doctoral students are asked to complete the Graduate School Exit Survey when they apply for graduation online. The Graduate School has compiled the results in this multi-year survey report, inclusive of the following academic years: 2010-11, 2011-12, 2012-13, 2013-14, and 2014-15. The report is updated each year to include the previous five academic years. Each academic year is comprised of responses from those who've applied to graduate in fall, winter, spring and, last, summer.

Institution-Wide Report. All responses are grouped by level (master's vs. doctoral). The questions that comprise the survey are appended to this report.

Program Reports. Data is also reported by school/college and, in the case of arts and sciences, by discipline area. Responses in the program reports are also grouped by level (master's vs. doctoral).
